WebEx Format**

Meeting Notes

Attendees:

Name	Agency	Name	Agency
Carol Heuberger	Crow Wing County	Karen Monsen	U of Mn
Cynthia Olson	Isanti County	Linda Westby	Ottertail County
Linda Bauck	MDH	Mary Nesseth	Wright County

Agenda Item	Discussion	Action Item
1. Introductions	See attendee list above	
2. 2010 Meeting Schedule	It was decided that the Central Region Omaha Users Group will meet quarterly in 2010 and the meetings will be scheduled between April and December (the meetings will not begin until April due to Karen Monsen's schedule). The meetings will coordinate with the Central Region MCH Group meetings and two will be face to face and two will be by WebEx.	When the 2010 MCH meeting schedule is determined, Linda Bauck will coordinate the Omaha meetings with Karen M. Linda will communicate the 2010 meeting schedule to the Central Region Omaha Group.
3. H1N1 Pathway	Possible problems to include: Communicable/infectious condition Neighborhood/workplace safety Health care supervision	
4. Karen reviewed the Minnesota Omaha System Users Group Web Site	http://omahasystemmn.org/	
5. The Omaha System and the Nurse Family Partnership (NFP)	Are any other groups using the Omaha System with NFP? "yes" – St. Louis County Linda Westby is developing pathways for the NFP: (Infant/toddler G/D, N, A) (Postpartum: PP, RC) (Parenting: C/P, RC) (Pregnancy: R, RC) This is similar for the Metro Alliance for Health Families – Omaha System charting plus data entry for the standardized program How do you rate one-time visits? One time visits in Ottertail County – FHV is considered=NFP program. FHV criteria are embedded within the care plan.
