Family Health Data and Practice Quality Work Group

Emily Robb, Emily Drager, Washington County; Joan Peterson, Jamie Baker, Carleton County; Karen Lindberg, Dakota County; Cathy Gagne', Ramsey County; Luzette Samargia, Dione Torrel, Julie Burns, Jane Gilley, St. Louis County; Mary Ellen Imdieke, Mary Pat Raimondi, CareFacts; Linda Schwichtenberg, Family Health PHNs, Scott County; Karen Monsen, University Of Minnesota.

Welcome to Carleton County! We are so glad you are joining us!

1. Member area on phiddleheads web site - Amy Lytton

Amy Lytton was unable to attend. Karen Lindberg & Karen Monsen reviewed the web site and the group discussed applications and use. Mary Pat and Mary Ellen asked clarifying questions. CareFacts may be interested in sponsoring – they request that Amy Lytton send a specific proposal by e-mail.

2. Spokane County KBS Rating Guide examples:

a. Pregnancy (Linda Schwichtenberg):

Add previous high risk pregnancy/multiple births, breastfeeding, maternal role (knowledge consideration)

Knowledge ratings: add breastfeeding to all

Knowledge 4-5: keep same as is

Status: Able to work/attend classes

Suggest reviewing the Nutrition Problem as developed by Spokane for future use by the group

b. Income (Julie Burns)

Knowledge considerations: education/job training

Status considerations: education status

General comment: Staff liked bullet formatting from Spokane (use white space!)

c. Residence (Luzette Samargia)

Like 'adult problem' in guidelines and notes

Knowledge rating – add tenant rights info from 1-4

Behavior rating – add second bullet for 3 and 4

Tenants rights Affordable Options group in MN – Mary Pat will forward info

For future meetings:

Spokane KBS rating guide review assignments:

Communication with Community Resources - Jackie Zmuda

Mental Health - Karen Lindberg

Caretaking/Parenting - Karen Lindberg

All the substance use pathways- Washington County

Postpartum - Cathy Gagné

Social Contact - Jackie Zmuda

Nutrition - ?

3. Karen Lindberg shared an e-mail message from Dave Muhovich re: turning point technology. This is being used at Bethel. It is an audience response system for voting – for the purposes of interrater reliability. Dave could come and give us a demo if we're interested. The group expressed interest. Karen Lindberg will follow up with Dave.
